Re: Jane Gibson

Interview with: Fred C. Bean, County Adjuster.

Operative interviewed Mr. Bean, who stated that Mrs. Easton wrote him several letters regarding her daughter. The girl, Alice Easton, was in the Glen Garden Tuberculosis Sanatorium for six months and was discharged from that institution January 1st, 1920. She was then 16 years old.

She lived with an aunt in Orange. In July 1919 she was in the Parential Home and sent from there to Glen Garden. The aunt is a sister of Mr. Easton.

Mr. Bean permitted operative to make copies of the two letters which he received from Mrs. Mary Easton.

These letters are copies on separate sheets.
